

Since 2015 IGNITE Movement draws a path towards a more meaningful business world by providing a platform that connects like-minded people, especially students, businesses and speakers, through our conference and the content we provide on the topics of leadership, company culture and organisational design. We believe that purpose strongly impacts profit.

## Partners Team

### Your Tasks – what you will do

- Contact and acquire external partners according to our values
- Maintain and strengthen these relationships over the long term
- Research companies with similar values and potential synergies to establish a topic partnership and/or a sponsorship
- Negotiate and uncover exciting opportunities between IGNITE and the outside world; this can comprehend initiating workshops, webinars, promotion opportunities and other formats you will bring up yourself
