

Since 2015 IGNITE Movement draws a path towards a more meaningful business world by providing a platform that connects like-minded people, especially students, businesses and speakers, through our conference and the content we provide on the topics of leadership, company culture and organisational design. We believe that purpose strongly impacts profit.

## Content Team

### Your Tasks – what you will do

- Research about IGNITE topics in various sources such as the internet, conferences, scientific papers and by talking to experts
- Gather case studies that showcase our topics and their impact
- Create content for our IGNITE Newsletter in collaboration with our other sub-teams to give insights about IGNITE-related topics as well as an update to all our stakeholders
- Co-write a book about all topics like purpose-driven business, company culture, organisational design, leadership, and self-improvement
- Develop and establish new content formats and provide the team with topic-related know-how & updates

### Your Profile – what you should bring

- Passionate and curious about, and inspired by IGNITE topics and the will to learn more about them
- Enjoy researching, writing and publishing content for a broad audience
- Excellent writing skills and proficiency in English
- Motivated and committed to the project in the long run
- Good team player and communication skills
- Time to stay for at least six months, preferably one year or longer
- Able to invest five to ten hours per week

### Our offer – what you get

- Gain deep insights and become an expert in the above mentioned topics
- Possibility to actively contribute to IGNITE's success
- A dynamic and welcoming team spirit
- Gaining practical experience in working in a team and the process of knowledge building
